**RESPONSE TO RESTRICTION REQUIREMENT**

MS AMENDMENT  
Commissioner for Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

Applicant has reviewed the Restriction Requirement mailed March 10, 2005, Applicant provisionally elects, without traverse, the claims of Group V. Applicant notes that while there appears to be no species election requirement relating to Group V in the March 10, 2005 Restriction Requirement, the Examiner indicated in a May 17, 2005 telephone conversation that there was an inadvertent typographical error in the Restriction Requirement on page 5, and that a species election for Group 5 is in fact required. Hence, Applicant provisionally elects, with traverse, as species SEQ ID NO:320.

This response is accompanied by a Petition, as well as the appropriate fee, to obtain a two-month extension of the period for responding to the Office Action, thereby moving the deadline for response from April 10, 2005 to June 10, 2005.
